EC-CERTIFICATE OF CONFORMITY

0832 - CPD - 2004

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

MODEL E and E3 Wet Alarm Valves for use in Automatic Sprinkler Installations

(For conditions of use for the product see the attached appendix)

Placed on the Market by:

*The Reliable Automatic Sprinkler Company Inc.,
 525 North MacQueston Parkway, Mount Vernon, New
 York 10552-2600, USA*

Manufactured By:

*The Reliable Automatic Sprinkler Company Inc.,
 525 North MacQueston Parkway, Mount Vernon, New
 York 10552-2600, USA*

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan. The initial type-testing for the relevant characteristics of the product, the initial inspection and continuous surveillance of the factory and factory production control has been performed under the control of the approved body LPCB (a part of BRE Certification Limited.)

This certificate attests that all provisions concerning the attestation of conformity (Level 1) and the performances described in Annex ZA of the standard

EN12259-2:1999 including amendment A1:2001

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 16 December 2004 and remains valid as long as the product continues to be manufactured and the conditions laid down in the harmonised technical specification referenced or the manufacturing conditions in the factory or the FPC itself are not modified significantly and the required annual FPC assessments are maintained.

Date of issue: 16 December 2004

Issue number 1

Signed on behalf of LPCB

Philip Field

Technical Director
